Awarded the GFOA Certificate of Excellence In Financial Reporting for 21 consecutive years!

MISSION: The mission of Financial Services is to provide comprehensive financial services, to ensure accountability, and to protect the County's assets.

MAJOR SERVICES: Financial Services offers the following services within the requirements of North Carolina laws and other local, state and federal regulations:

- Provides prudent fiscal management for the County;
- Oversees and supports annual external audit of County finances;
- Assures effective management of the County's financial assets;
- Certifies vendors to do business with the county through vendor application forms and W-9 forms;
- Manages purchasing functions, including overseeing requirements for bids or requests for proposals;
- Management of grants;
- Processes payroll for County employees;
- Manages accounts payable and receivable, and
- Identifies and posts surplus property for sale to the public.
